Forecast for Saturday 08 Jun 2024

Weather: A cloudy start with outbreaks of showery rain, but this soon clearing to the southeast. By midday most cloud will have cleared with plenty of fine weather through the afternoon and evening.

Chance of cloud-free hill tops above 600m: 40% becoming >95% after midday.

Low cloud and visibility: Patchy cloud obscuring hills as low as 400-500m, during the morning. Visibility improving around lunchtime as cloud and risk of showers rain clear to become excellent, with cloud bases lifting above summits.
